## Call for Trainees

Certified Training of Trainers (ToT) on Solar Energy

## Organised by

Bangladesh Power Management Institute (BPMI)

## Technical Cooperation:

Skills Development for Sustainable Energy Solutions (SKILLS4SE) Project, GIZ Bangladesh

### TRAINING FOCUS

o Basics and advanced concepts of Solar Energy Systems
o Technology aspects of Solar Energy
o Considerations for Site Selection
o Practical Session on Simulation Tools
o Hands-on training
o Design, Installation, Construction and O&M of Solar Power Plants
o Business Models, Financial Assessment, Regulatory & Policy Framework

### REQUIREMENTS

o Bachelor's or Master's degree (in any Engineering discipline / Applied Physics / Energy/ Renewable Energy)
o Either BPMI's Trainer, BPMI's Trainee of Renewable Energy Course or a minimum of 2 years of professional experience in the energy sector
o Participants must bring their own laptops for simulation sessions
o Commitment to conducting future training sessions

### DATE AND VENUE

o Course Duration: 02 to 07 August 2025 (6 days)
o Venue: To be decided (Dhaka City)
o Session: 9:00 to 17:00

### FEE

Finally selected candidates will be required to pay a registration fee of BDT 5,000.00 (Five Thousand Only) in favor of BPMI (Payment method will be provided after final selection)
